SAINT LUCIA

SMOOTH SAILING - MAY 2025

Tour Highlight

Sip & Dip Piton Sunset Cruise

Come board our catamaran for an unforgettable sunset cruise to the iconic Pitons, one of Saint Lucia's most breathtaking sights. This is more than just a boat ride; it is an experience designed for relaxation, celebration, and soaking in the beauty of the island from the best seat in the house: the sea.

We cruise along the west coast as the sun begins to dip, with local and international tunes setting the perfect vibe. Sip on complimentary drinks, enjoy a spread of tasty hors d'oeuvres, and take a refreshing swim or snorkel stop between the majestic Pitons. As the sky lights up in warm sunset colors, you will have front-row views!
